

# Counseling Professionals, PLLC

## Employment Opportunity Notice

### Purpose Statement –

We at Counseling Professionals PLLC are looking for qualified and motivated therapeutic professionals to join our team to make a difference in the community.

### Our Vision –

We believe in building a team that supports therapists so they can focus on counseling clients who are willing and ready to move forward in their lives. We keep our offices small and build a network of collaboration. We maximize resources to pay competitively and help therapists grow professionally.

### Our Offer –

To help you be the best therapist you can be, we offer:

- Credentialing with the networks we work with: BCBSNC, MedCost, Cigna, and Aetna
- We provide Billing Services and Collections
- Mobile Medical Record System and Scheduling
- Marketing Material and Strategies
- Office Equipment and Supplies
- Local Networking
- Reimburse Liability Insurance Cost
- Associate Level applicants accepted
- Profit Sharing for CE's and Business Resources
- 80/20 split after the first 1,000 in collections (60/40 before)
- Part Time/Full Time options available, minimum of 20 session per month

### Our Goal –

As we build a team of talented therapists, we will work to increase resources and benefits. For professionals who want to specialize or improve society in a new and novel way, we offer more opportunities to be a leader in the field of mental health counseling and life success. Providing your services to the community comes first and we believe our structure provides flexibility, focus, exceptional compensation, and a path to grow into specialization based on your career goals. If you are interested, we look forward to hearing from you!

Sincerely,

Counseling Professionals PLLC Team
