

Counseling Professionals, PLLC

Employment Opportunity Notice

Counseling Professionals PLLC is a team of mental health providers who believe in providing clients, providers, and the community opportunities to grow.

Our Vision –

We believe in building a team that supports therapists so they can focus on counseling clients who are willing and ready to move forward in their lives. We keep our offices small and build a network of collaboration. We maximize resources to pay competitively and help therapists grow professionally.

Benefits of Working with Counseling Professionals PLLC –

To help you be the best therapist you can be, we provide:

- Credentialing with the Networks we work with: BCBSNC, MedCost, Cigna, and Aetna
- Flexible schedule and hours (2nd Job Options)
- Office Space, Equipment and Supplies
- Telehealth Platform Provided
- Cloud Medical Record System and Scheduling
- Billing Services and Collections Handled
 - Client Focused

Other Benefits

- Growth Options to Full employment with:
 - Healthcare, Life insurance, EAP Benefits
 - Financial Advising, Disability benefits, and more benefits coming as we grow
- Marketing, Networking, Raleigh Founded Partnership, and 24/7 live answering service
- Personal Professional Liability Insurance Cost Covered
- Associate Level Applicants Accepted for all license types
- Free CE's platform for Contractors and Employees
- 80/20 Split After the First 1,000 in Collections (60/40 before)
- Part Time/Full Time Options Available (minimum of 12 session per month or 3 per week)

Our Goal –

Providing your services to the community comes first and we believe our structure provides flexibility, focus, exceptional compensation, and a path to grow into specialization based on your career goals. If you are interested, we look forward to hearing from you!
